CONVEYANCE ALLOWANCE TO DIVISIONAL WARDENS.

SIR,

With reference to G.O. No.277-80/W dated the 16th July 1942, sanctioning with effect from the date each of them took charge, conveyance allowance of Rs.50/- per mensem to the Lady Deputy Chief Wardens, Bangalore and Mysore, I have the honour to enclose for your information copy of a letter from the Chief Warden, Bangalore City, recommending the grant of conveyance allowances not only to the Lady Deputy Chief Warden, but to the Divisional Wardens as well. I regret that the recommendation about the Divisional Wardens was not made in my first letter. The Divisional Wardens have even more work than the Lady Deputy Chief Warden and not a day passes without their having to devote at least 2 or 3 hours for A.R.P. work, as they are primarily responsible for the entire organisation and functioning of A.R.P. Wardens' Services, in their respective Divisions. Two of them are busy legal practitioners and one of them is a medical practitioner. It is at a great sacrifice of time and even earnings that they are attending to A.R.P. work. While we should be grateful for their voluntary services, it would be unfair to expect them to be out of pocket on this account, but as a matter of fact, they are out of pocket, as they are required to do a great deal of moving about. I recommend therefore, that a conveyance allowance of Rs.50/- per mensem may be sanctioned to them also from the date of taking charge as in the case of the Lady Deputy Chief Wardens. This matter was brought ~~out~~ up by the Chief Warden Rajadharmaprasakta Mr.K.Shankaranarayana Rao, at the Central A.R.P. Advisory Committee on the 17th July 1942, and it

it was resolved that to pay them the allowances was very necessary. This is also being urged repeatedly by the Divisional Wardens at the weekly meetings and I am afraid that there is already a feeling of discontent that they should be expected to make this sacrifice when they are doing honorary work.

The allowances may therefore be kindly sanctioned.

I have the honour to be,
Sir,
Your most obedient servant,

KVN. 25/7

INSPECTOR GENERAL OF POLICE.

Letter dated 5th June 1942 from the Chief Warden, Bangalore City to the A.R.P. Controller, Bangalore City.

.....

I have been feeling for some time past the need for making a recommendation to you to arrange for the grant of a conveyance allowance to the Lady Deputy Chief Warden, When Mrs. Chary started work a few months ago, I did not think that her work was likely to increase to the magnitude that it has now assumed. As she is to organise and supervise the work of all lady A.R.P. Volunteers in the entire City area, she is obliged to move about very frequently, and I have been observing that she has been incurring a good deal of expenditure in this connection. In addition to the work relating to organisation, she has also to attend several A.R.P. gatherings held in various parts of the City.

In the circumstances, may I request you to kindly see that Mrs. Chary is paid a conveyance allowance of at least Rs.50/- a month which, will probably just cover her petrol bill. This will, of course, have to be in addition to the allowance of Rs.35/- that is already being given to meet other charges.

I wish to propose payment of a similar allowance to the Deputy Chief Warden, Major Y.V.K.Murthy and also to each of the three Divisional Wardens. Their work has also been on the increase. I know personally that for doing A.R.P. work, they have to move about almost every day in their division and that they have also not only to arrange for but also to be present at regular meetings for propoganda work. This involves a good deal of expenditure towards conveyance charges, in addition to the time and personal inconvenience involved.

I request also that these allowances be made payable as from the beginning of this month, if not from that of May.

A.R.P. Controller,
Bangalore City.
